25X1	13.	Called former Representati	ve John Marsh	
25X1A	by way of followup to his conv	ersation with me concerning		
25X1A	I told Marsh that our people were generally familiar with 25X1			
25X1A 25X1A				
		I told him it had also been bro	ought to my	
25X1A	attention that		and Marsh	
25X1A	acknowledged this. I told him	that in view of	status	
	and the fact that our people felt any contact with him by us at this time might			
25X1A	be counterproductive for both of us, we preferred not to see him.			
	seems to be doing very well on his own and it would seem best to let him			
	continue that way. Marsh said he certainly respected our judgment on this			
	and appreciated our looking into it.

25X1	14.	Checked with Bill Woodruff	, Counsel,	
	Senate Appropriations Committee, about the timing of our briefing of the			
	Senate Appropriations Committee on both the budgets of the intelligence			
	community and the Agency. Woodruff agreed with my assumption that this			
	would not take place next week, but would probably be scheduled some time			
	during the last week of this month (the week of 24 May). I talked with him			
	about the arrangements I would like to make with the Alderson Reporting			
	Company if a transcript is to be taken and Woodruff had no problem with this			
	at all. (This is essentially the same arrangement we have with the Senate			
	Foreign Relations Committee on their transcripts.) I will contact Mr. Frank			
	Strout at Alderson to work out the details.			
	I briefed Woodruff on a number of current intelligence items including:			
	Soviet silo construction, Soviet Mongolian border forces, and Soviet port			
	facility in Egypt.

25X1	15.	Picked up from J. Sou	ırwine, Chief	
	Counsel, Senate Internal Security Subcommittee, an advance copy of the			
25X1A	Paul Scott column for 14 May and sent copies to Messrs. Goodwin,
